Management Discussion and Analysis

General Fund Balance -

The General Fund balance has decreased by \$0.06 million, and year to date was \$3.5 million.

Budget Variance -

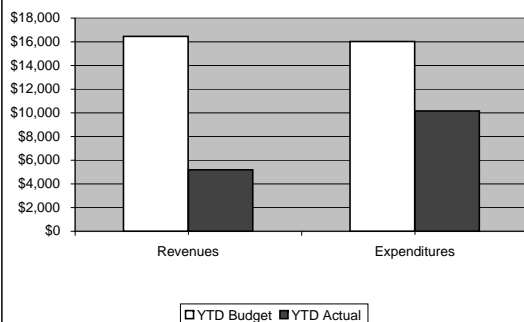

Year to date revenues are running lower than budget for \$11.3 million mainly due to the sewer use fees and the semi-annual installment of property taxes to be received in subsequent periods. Expenditures were under budget for \$5.9 million due to the differences associated with capital project construction as follows : Street Improvements, Storm Drain Project, RDA Capital Project , and LMI Housing Projects. As a result of the above conditions, the net budget versus actual difference is \$5.4 million.

Fund Balance -

The Recreation Fund deficits for \$0.02 million are due to the summer programs which are seasonal expenditures. Supp. Law Enforcement Fund deficits for \$0.01 million. The SLESF Grant for \$0.1 million will be received by the end of the FY. Debt Service Fund deficits for \$0.01 million are due to annual General Debt paid in this month. Library Bond Debt Service Fund deficits for \$0.01 million are due in July.
